# Jupiter Kit Combinations

PART # 465-DOT1

## Jupiter Dot 1

The Jupiter is listed on NHTSA's Conforming Products List and exceeds model specifications for Evidential Breath Testers. The only device on the market to combine an alcohol tester and printer in a single hand-held unit for maximum testing convenience.

PART # 465-DOT2

## Jupiter Dot 2

Includes the same accurate and easy-to-use Jupiter instrument and accessories as the Jupiter DOT 1 but with additional mouthpieces and an upgraded case and insert. This larger case design allows you to store your dry gas tank and regulator with your instrument for maximum portability and convenience.

PART # 465-DOT3

## Jupiter Dot 3

From conducting instrument accuracy checks to documenting breath test results, the Jupiter DOT 3 contains everything you need to perform 100 DOT workplace alcohol breath tests.
